SUBJECT: (Briefly state your question or concern and the solution you are requesting. Continue on back, if necessary. Your failure to be specific may result in no action being taken. If necessary, you will be interviewed in order to successfully respond to your request.

I request immediate release from the SHU, where I have been held without valid justification for 200 days and counting, and for 300 days cumulatively since my 2021 designation to USP-Tucson. My rights continue to be violated by the intentional, knowing, calculated, deliberate, and indifferent actions and omissions of BOP personnel at USP Tuscon and others to: BOP Rules, Regulations, and Program Statements; applicable laws, rules, and regulations; the Mandela Rules and intentional norms; and the US Constitution. The real length and conditions of my SHU confinement are torture. Hutto v. Finney, 437 U.S. 678 (1978). My SHU placement is pretextual and retaliatory. I have a pending Rule 33 motion for a new trial based on unprecedented misconduct by government agents. U.S. v. Raniere, 1:18-CR-00204-NGG-VMS, Doc. 1169 (EDNY). I believe bad actors in the DOJ and its sub-agencies (EO-AUSA, EDNY-AUSA, FBI, BOP) are acting in concert to retaliate against me for exposing corruption in my case that may undermine public credibility in these institutions. The BOP has deprived me of my due process rights and the ability to confer with counsel. In May, President Biden issued an Executive Order expressing inmates should be "free from prolonged segregation," as the use of restrictive housing has surged in recent years. The new BOP Director Colette S. Peters has said she is looking into this trend. I am unsure if she has reviewed my situation, but it may afford her the opportunity to implement her ideals, as she did in her career in Oregon.
