AFFIDAVIT OF ROB EMERT IN

AFFIDAVIT OF ROB EMERT IN SUPPORT OF MOTION TO STAY PROCEEDINGS

I, Rob Emert, declare as follows:

1. I am the Respondent in this family court proceeding concerning custody of my son, Bryce Emert, and have personal knowledge of the facts stated herein.
2. Attached as Exhibit A is a true and correct copy of a transcript of a phone conversation between myself and Petitioner Andrea Schuck regarding custody of Bryce Emert, recorded on 04/11/23.
3. This phone conversation occurred on 04/11/23 after I was released from custody, during the time period when Bryce was staying with me. Ms. Schuck and I discussed her having custody restored to me and in a shared capacity with her. This custody dispute is due to the default judgment from the November 29, 2021 custody orders where I was excluded from the proceedings in an unfair manner.
4. Specifically, the transcript shows that Ms. Schuck acknowledged Bryce's desire to be with me and his strained relationship with her currently. We discussed steps for transitioning Bryce back to me and including a cooling off period and family therapy.
5. This conversation demonstrates that Ms. Schuck was aware of Bryce's preference to be in my custody. It shows we jointly discussed a path for him returning to me pending the court proceedings.
6. I attest that the transcript contained in Exhibit A is authentic and accurately memorializes the phone conversation between myself and Ms. Schuck regarding Bryce's custody on 04/11/23. It provides evidence that Bryce's return to me was considered in the best interest of the child.
7. The conversation in Exhibit A demonstrates that Andrea and her Attorney, Dave Schulman are not acting in good faith at this point. Rob Emert and Andrea Schuck can and should resolve this petty custody dispute and simply go 50/50. Ms. Schucks parents are paying the bills and Dave Schulman just keeps stirring the pot when the reality is if Ms. Schucks parents stopped paying the bills and Dave Schulman crawled back under his moral turpitude rock, Rob Emert and Andrea Schuck could resolve this dispute quickly.

04/11/23 summary of transcribed phone call of Rob Emert and Andrea Schuck

Emert took a felony charge as part of a deal that included allowing Bryce to come home to live with him (pg 1). Schuck acknowledges this deal several times throughout the conversation (pg 4, 35).

Schuck says she wants to work with Emert going forward and asserts she is not corrupt, despite what Emert has claimed about her and the courts in the past (pg 3).

Schuck agrees multiple times that Bryce needs his dad in his life (pg 4, 39, 53). She says Emert is a great dad and that the kids need their dad.

Emert repeatedly asks for a fair custody arrangement without supervised visitation, which he argues would be psychologically harmful for the kids (pg 5, 8, 9, 49). Schuck seems open to this and does not push for supervised visitation.

Schuck says she still loves Emert, despite their difficulties, and never wanted bad things for him (pg 14, 39). She apologizes for her part in their conflicts.

Schuck and Emert discuss the importance of family counseling/reunification therapy and doing activities together to help bring the family back together (pg 20, 53). Schuck suggests family dinners.

Schuck offers to help Emert pay for therapy since his insurance benefits were cut off (pg 47). This shows her desire to support him.

Schuck agrees to testify on Emert's behalf in the criminal court case against him (pg 22), further demonstrating her support.

Schuck agrees to have her lawyer Sarah draft a new custody stipulation to allow Bryce to live with Emert most of the time, with Schuck retaining full legal custody (pg 35, 41).

Emert agrees to follow Bryce's IEP plan and not homeschool him, per Schuck's wishes (pg 26). He says he just wants what is best for Bryce.

Schuck offers to help get the criminal protective order against Emert dropped so he can talk to her about family matters (pg 42).

The conversation is friendly and cooperative overall, without evidence of major conflict. Schuck makes many supportive statements and seems fully willing to let Bryce return to live with his father per their agreement. This contradicts her later assertion that she and Emert could not get along or resolve their differences.

00:00:09 Speaker 2

Hello. Hey, it's me. Hello. Hello.

00:00:13 Speaker 1

Fine, thanks. How are you?

00:00:14 Speaker 2

I've been better. OK. So thanks for picking up. I really appreciate it. The you probably know the you and I can talk, but going forward, I will always just do by text or talking parent whatever you want to do. But the reason why I want to talk to you now and thanks for picking up is because.

00:00:35 Speaker 2

The There's so many, so many balls up in the air regarding appeals and this the criminal case and on my Honor, I took that deal because they said that you wanted to work something out.

00:00:55 Speaker 2

And I thought it would be better that, you know Bryce and Skyler, we have something worked out together. So please tell me please that there's something where I can drop all my cases.

00:01:08 Speaker 2

And you can say here's what we're going to do regarding custody of the kids, or if you have keep custody or visitation or whatever. Just please don't let you do supervised visitation because.

00:01:21 Speaker 2

That's just mean. And the kids don't deserve that.

00:01:24 Speaker 2

You know, I, you know.

00:01:26 Speaker 2

They just don't deserve that.

00:01:27 Speaker 2

You know, and I and I, that's why. That's why I don't. That's why I didn't reach out to Skyler a lot is because I didn't want her to have to, you know, I mean, stop playing with her friends just to go sit with a stranger and me. It's just it's just it's not. That's my opinion is it's not good for the kids.

00:01:44 Speaker 2

So what kind of what kind of bone can you throw me so I can drop all this crap and go get a job and try to live a life that's somewhat normal? I've almost died, like, three times, Andrea.

00:01:56 Speaker 2

Jail for 90 days. I I don't. I don't deserve this.

00:01:59 Speaker 2

You know that.

00:02:00 Speaker 2

I you know, I just don't.

00:02:02 Speaker 2

So I would never. I've never would have never done this to you.

00:02:07 Speaker 2

And you know that.

00:02:09 Speaker 2

So could you tell me? I I feel so horrible right now.

00:02:12 Speaker 2

I feel so bad.

00:02:14 Speaker 2

And I just.

00:02:16 Speaker 2

I just want to live and I and I have all this, all this stuff, and it's just it's ridiculous. You know, I've been pummeled.

00:02:25 Speaker 2

Can you help me and and basically do something nice so I could see the kids. We're going forward. It's not. We don't have to go to court anymore and then I can just end all these. All this crap and.

00:02:39 Speaker 2

And we have something, but don't make me come groveling with supervised. That's just I'm. I'm begging you not to do that because I I have to do that. Then I probably have to keep plugging along with all this

other crap. And I I really don't want to do that. You know, it's just a waste of time. It's money and time that I could be with the kids or doing something productive. And this, this, you know.

00:03:00 Speaker 2

This thing is this is this is horrible, these vultures.

00:03:04 Speaker 1

I I don't. I I will work with you Rob for sure. But I don't want to talk about how you think the people are corrupt anymore.

00:03:15 Speaker 2

OK, that's fine.

00:03:15 Speaker 1

Ever, ever again. You can think that that's fine, but I don't. I'm not corrupt and.

00:03:21 Speaker 2

I know that that's why I'm calling you now. I'm hoping that you'll just help me out of this somehow and Get Me Out.

00:03:26 Speaker 1

I can tell you that I I'm not corrupt, and I do want to work with you, and I think Bryce needs to you. I think you need to give Skylar a little bit of time.

00:03:38 Speaker 2

But it just breaks my heart because I never did anything that would warrant that.

00:03:43 Speaker 1

But she she.

00:03:47 Speaker 2

Let's not go there. Just what can you tell me? Because I know you don't have a lot of time probably to talk now and we're not going to resolve anything now. But I feel seriously.

00:03:56 Speaker 2

I don't even know if I'm going to make it.

00:03:59 Speaker 2

That's how. That's how bad it is. Jail for 90 days. It's just was ridiculous. And they they could have let me out. And it, you know, based on the documentation, and it kept me in there illegally. And, you know, they did. And it's just, you know, that I've I've pissed off the wrong people. And I just did so.

00:04:19 Speaker 2

I'm. I'm asking you what? What realistically?

00:04:24 Speaker 2

Can you do?

00:04:26 Speaker 2

Like like what? How do you see this playing out like?

00:04:29 Speaker 2

If, like they would like seeing the kids and stuff, would you just basically.

00:04:35 Speaker 2

Go ahead.

00:04:37 Speaker 1

Well, I I want to remind you, I mean and I I want to give you some benefit of the doubt rob. I want to remind you that I gave you like a list of things I wanted in terms of Bryce, which was to live with you full time.

00:04:51 Speaker 1

But to let me.

00:04:52 Speaker 1

Have like certain days of the week, like maybe comes over on Sundays for dinner, but he's in school.

00:05:00 Speaker 1

And I'm on his IEP team and if he has both of them that they have play our concert, we can both go.

00:05:09 Speaker 2

Is the on certificate or diploma?

00:05:12 Speaker 1

He right now he's a.

00:05:14 Speaker 1

Year off from his credit.

00:05:17 Speaker 1

So he will graduate and be able to go to a junior college, but he won't be able to go to a four year university.

00:05:23 Speaker 1

And that's what I'm doing summer school.

00:05:25 Speaker 2

Is it because?

00:05:27 Speaker 2

Will we get a diploma or is it like a certificate?

00:05:30 Speaker 1

Its a diploma.

00:05:31 Speaker 2

OK.

00:05:32 Speaker 1

Keep the classroom and I don't want to switch in schools. I don't think as much as he's not liking it at carlsbad I don't think switching yet again is the answer. I've seen that with like Tina with her son, with just people switching around. We need to do is change his growth mindset and support him in it. He that he's actually made a really nice group of kids.

00:05:53 Speaker 1

A friend, but he has people.

00:05:56 Speaker 2

So again, not. So not again, not getting too detailed. So basically, if I like, of course kept him at your school, he could live with me a lot.

Speaker 1

aha

00:06:10 Speaker 2

And but of course then you have the ultimate say on everything, which that's I mean that.

00:06:15 Speaker 1

It doesn't have to be the ultimate solution. We can work together, we can make decisions together.

00:06:22 Speaker 1

I don't we can. We can make decisions together. We can. We always were able to.

00:06:28 Speaker 2

OK. Thank you.

00:06:31 Speaker 1

UM.

00:06:35 Speaker 2

I just. I want the best for them and I just if I.

00:06:37 Speaker 1

I do too.

00:06:39 Speaker 2

The the mess. The mess that I'm in right now is that I don't think.

00:06:44 Speaker 2

I mean, I have to.

00:06:46 Speaker 2

I I got really I I just got in such bad advice from lawyers. I've been trying to do this on my own and I just. It's like gotten to a point now where I'm just like I want out. I I I just. I just want to just be out.

00:06:59 Speaker 1

A lot of the advice that you got were from people who were not.

00:07:02 Speaker 1

Lawyers who were court watcher groups, and that's you. Don't see it. And I know they're your friends, but they steered you in the wrong way. Like.

00:07:14 Speaker 1

You know, I tell Bryce he doesn't believe me all the time. I still love you rob.

00:07:18 Speaker 2

Thank you.

00:07:18 Speaker 1

I love you. I love you and I my heart has been broken for you and your family this whole time and.

00:07:27 Speaker 1

But the damage that Bryce is in with Bryce and I is really bad.

00:07:32 Speaker 2

Well, let's fix it because I think we can, if he, you know, I think we can fix it. And I just, you know I you know, because what happened was they again they they the lawyer I have in the Criminal Court he said you they're you know they're not going to probably let Bryce testify and you know I saw how that was.

00:07:48 Speaker 2

Panning out and I didn't want to. Basically, you know, I said, I honestly didn't want to have you go up there on the stand and have us turn in this big fight even more so, I took the deal thinking that what they told me was that it could all go be defaulted to family court, but then I go back and now they're like everybody's laughing on me, going rob your ***** idiot dude.

00:08:08 Speaker 2

You're a ***** convicted felon. You're gonna get nothing in family court.

00:08:13 Speaker 2

You know what?

00:08:13 Speaker 1

That's not true rob. That's not. You know, The thing is, even if you ask my parents.

00:08:19 Speaker 1

We want you. We want.

00:08:21 Speaker 1

You to be with Bryce.

00:08:23 Speaker 1

Skyler, we want.

00:08:24 Speaker 1

You to be with her, but we want.

00:08:25 Speaker 1

Her to want to be with you.

00:08:26 Speaker 1

Like right now and you don't hear, you don't know she's going through some stuff too. And you can imagine.

00:08:33 Speaker 1

And she's going through some really.

00:08:34 Speaker 1

Great stuff and she's missed you. And she wants you. She just.

00:08:38 Speaker 1

She's hurt by the whole thing, too, I mean.

00:08:41 Speaker 2

You know, it's like I'm I'm like, I mean, I took the deal because I thought it was maybe better.

00:08:45 Speaker 2

For all of us and.

00:08:50 Speaker 1

It can be.

00:08:52 Speaker 1

It can be. It can be, it can be and hear me.

00:08:53 Speaker 2

OK.

00:08:55 Speaker 2

Because the the appeals are coming up, I have two motions coming up to this next month, next month, and I think if we if we drew up a stipulation, I think the court would be happy to get rid of us.

00:09:05 Speaker 1

I'd like to send you back the stipulation that I sent to Steven Mackintosh to send to you. Originally, we want you to look at it really, really hard and I want you to look at it from a really objective lens. But I don't want you to talk about it with Mark or your mom or anyone else. I want you to put yourself in the position that I was really coming at this.

00:09:25 Speaker 1

With good intentions. Hey, maybe you could see Bryce on Sundays and.

00:09:30 Speaker 2

Here's the thing, andrea. Seriously.

00:09:32 Speaker 2

I'm so beat. I'm so beat down.

00:09:35 Speaker 2

But I would just if I get to see the kids and not on supervised visitation, I'll take anything. I just don't want to do that to the kids. That's my main thing.

00:09:46 Speaker 1

Well, and you know I I need bryce

00:09:49 Speaker 1

To change his his.

00:09:54 Speaker 1

Hang on.

00:09:54 Speaker 2

I know, and I and I'm I'm sure I I told you that I would be great. I thought I was going to die. I wanted him to have his mom. I'm telling you, I was worried. And so, you know, while we both go cheap shots in in each other, I was always hopeful that it was going to end up more like that movie. Daddy's home where we would still see each other and get our cheap shots in. It'd be funny.

00:10:14 Speaker 2

I never wanted it to turn into the war of the Roses. You know what I mean? I mean, this is this.

00:10:19 Speaker 2

Got this has gotten way out of hand.

00:10:20 Speaker 2

And and I just like I I just I I the fact that you said that you know or are are generally indicating when they're not promising anything but just that you that you're saying that you want to do this makes my day so much better because I'm looking at all this stuff that I have to do.

00:10:40 Speaker 2

I don't want to do it anymore, I just. I'm wasting my life. I'm wasting the kids lives and all the money resources is ***** just ***** stupid, you know?

00:10:52 Speaker 1

Well, what I think it's kind of funny, Rob.

00:10:55 Speaker 1

Is that I don't have any money.

00:10:57 Speaker 1

I'm scraping by I I'm not. I'm not I.

00:11:01 Speaker 1

I don't know.

00:11:01 Speaker 1

What you ever thought I needed money but.

00:11:06 Speaker 1

One day at a time with money like.

00:11:09

All right.

00:11:10 Speaker 2

All right. Well, let's, I'll, I'll take whatever you give me at this point.

00:11:14 Speaker 2

Because I'm broken.

00:11:17 Speaker 2

I really AM.

00:11:17 Speaker 1

I'm sorry, I'm sorry.

00:11:21 Speaker 1

I never wanted this for you rob. I love you and I never wanted this for you. I.

00:11:28 Speaker 1

I'm mad at you because of Bryce's education.

00:11:31 Speaker 1

That is, that is the thing that I really struggle with the most.

00:11:35 Speaker 2

Well, can you give me just a little bit of credit if you could and think about it? Because where?

00:11:39 Speaker 2

He was at.

00:11:40 Speaker 2

Emotionally, I I did what I thought was right and he grew up a lot in that year. He there's a lot of benefits that he got in that year.

00:11:47 Speaker 1

I thought I I thought he did too.

00:11:50 Speaker 1

I thought he I'm pulling.

00:11:51 Speaker 1

Over because I was driving.

00:11:53 Speaker 1

I thought he did too, and now he's quite back to where he was. He didn't grow up. He he he takes pictures of me and sends them to your mom. Like bad pictures of me. And they laugh and.

00:12:05 Speaker 2

I know. I think it's because he, he thought when I told him because I told him not to run away and that's how much I loved him. As I said, Bryce, I don't know how this is going to play out and I said don't run away from your mom, see the best of your mom, try to have some fun with your mom and.

00:12:21 Speaker 2

I said try to have some fun.

00:12:21 Speaker 1

He did at first.

00:12:23 Speaker 1

Did it first and then your mom?

00:12:25 Speaker 1

Your mom has been working on him hard. Rob like.

00:12:27 Speaker 2

OK, I will fix that because.

00:12:31 Speaker 2

Hold on.

00:12:36 Speaker 2

Hold on

00:12:42 Speaker 2

I'll fix it.

00:12:45 Speaker 2

I'll fix that, I promise.

00:12:57 Speaker 2

I just want to see the kids and.

00:12:59 Speaker 2

I just don't know.

00:13:00 Speaker 2

I I can't do this anymore.

00:13:11 Speaker 2

So whatever fair deal you think I'll take.

00:13:17 Speaker 1

why don't I just start with its not the deal. I'm just going to.

00:13:21 Speaker 1

Send over the.

00:13:23 Speaker 1

Stipulation that I wrote up to the DA investigator Steven Mackintosh. Whatever her name is, and I want you to look at it and see where it was coming at and see how even.

00:13:32 Speaker 1

Then I was really.

00:13:34 Speaker 2

Well, here's the.

00:13:35 Speaker 1

Work with you.

00:13:35 Speaker 2

Deal. Well, here's the thing. I know, but at this point, I just want something done and I want it simple. And if you want total control, you can have it. And then if you'll, I mean, you'll listen to me, which is great. And that's all. That's all I need at this point. And I just, I want this to be done. I want to be able to go into court.

00:13:57 Speaker 2

And say, here's our agreement and I would think that the judges would probably say, thank God I will take it. You agree to it? Get the **** out of my courtroom.

00:14:07 Speaker 2

That that's what I'm hoping they say.

00:14:11 Speaker 2

But my life is ruined because they they didn't tell me like I wasn't going to plead guilty and I was going to take it to trial and they were like, no, don't take it to trial. It's not good for Bryce and you know.

00:14:21 Speaker 2

You could stay in jail longer.

00:14:23 Speaker 1

They told me you were.

00:14:25 Speaker 1

They said their case was so.

00:14:26 Speaker 1

Strong. You were going to lose.

00:14:30 Speaker 1

This is what they told me, so I was like, oh, God, I didn't take the deal like this is what I'm thinking like.

00:14:35 Speaker 2

Well, but the way the thing the Penal Code works and is going to turn over there. But here's what it comes down to is.

00:14:40 Speaker 2

That I never did.

00:14:41 Speaker 2

Anything maliciously, they, they and that, that and they, then they can't. I didn't. I really didn't.

00:14:47 Speaker 1

Hey. Hey.

00:14:50 Speaker 1

When I begged you.

00:14:52 Speaker 1

To let me talk to Bryce.

00:14:54 Speaker 1

That was malicious. You shouldn't. That's where that's.

00:14:58 Speaker 1

I just if you had literally, I would.

00:15:00 Speaker 1

Have dropped the whole thing.

00:15:01 Speaker 1

If I could.

00:15:01 Speaker 1

Have just talked to him. If he had been in.

00:15:03 Speaker 1

School and I could.

00:15:04 Speaker 1

Talk to him. We wouldn't be here right now.

00:15:06 Speaker 2

OK, well, I'm sorry I did the best I could. So thank you for picking up because I seriously, I'm. I'm not going to tell you I'm feeling because it would be alarming, so I won't.

00:15:19 Speaker 2

We can fix it.

00:15:21 Speaker 2

And I need to put this thing I need to put it back together, but the fact that you picked up the fact that it sounds like you're not going to make me do supervised visitation.

00:15:32 Speaker 2

It sounds like that and I know you can't promise or guarantee anything, but that's that's all I want is I just want to be.

00:15:39 Speaker 2

I want to be able to get back to work. I want to be involved in the kids lives and the fact that my daughter doesn't want to see me. It's just there's things.

00:15:50 Speaker 1

She doesn't not wanna.

00:15:51 Speaker 1

See. She's just. It's just like bryce.

00:15:53 Speaker 1

enough time goes by.

00:15:55 Speaker 1

And you just don't know what you know.

00:15:58 Speaker 1

And you know you.

00:15:58 Speaker 2

That, you know, they need everything from me, that they're everything to me.

00:15:59 Speaker 1

Can't you do not have you know?

00:16:02 Speaker 1

Me too. You know that to me.

00:16:04 Speaker 1

Too, but rob.

00:16:06 Speaker 1

also you do not have a criminal protective order against you with Skyler right now, so feel free to.

00:16:13 Speaker 1

Reach out to her.

00:16:15 Speaker 2

OK. I I would.

00:16:15 Speaker 1

Text her. Sorry. Sorry. She wants to hear from you. Tell her you love.

00:16:19 Speaker 1

Her tell her happy.

00:16:20 Speaker 2

Easter. Tell her, isn't there an order in from the court, though that says.

00:16:24 Speaker 2

That I'm not. I don't.

00:16:25 Speaker 1

No, it's that you can talk to her. You can talk.

00:16:30 Speaker 1

To her. But if she doesn't want.

00:16:31 Speaker 1

To talk to you, she doesn't have to talk to you.

00:16:34 Speaker 2

Well, that's that's fine. I mean, I would never force her to do.

00:16:37 Speaker 2

Anything she didn't want to do.

00:16:37 Speaker 1

So well and you know that's what we're different. I would ask you, I would ask you to force Bryce to talk to me. That's.

00:16:47 Speaker 1

And you know what? Well, we do need therapy.

00:16:50 Speaker 1

You were so against reunification therapy. We all four of us need it. You need it with Skyler. I need it with Bryce.

00:16:57 Speaker 1

We need to like.

00:16:59 Speaker 1

We need to go. The four of us.

00:17:05 Speaker 2

If that's what you want to do, I'll do it because I'm.

00:17:07 Speaker 2

Just happy you're talking to me.

00:17:10 Speaker 1

Well, I want you and Skylar to.

00:17:12 Speaker 1

Get I want.

00:17:17 Speaker 1

I want me and Bryce to be OK and I want you and skylar to be OK.

00:17:20 Speaker 2

OK.

00:17:24 Speaker 2

Thank you.

00:17:24 Speaker 1

I'm so sorry for all of this. It's awful.

00:17:25 Speaker 2

You know.

00:17:26 Speaker 2

So am I. So am I I.

00:17:29 Speaker 2

I'm sorry that I was a bad husband.

00:17:34 Speaker 2

I know I messed up, I know.

00:17:38 Speaker 1

I messed up too rob

00:17:42 Speaker 1

And you know, The thing is that Jesus just died, and rose on the cross.

00:17:48 Speaker 1

For us so that we could be forgiven.

00:17:54 Speaker 2

Can you?

00:17:58 Speaker 2

Can you have?

00:18:01 Speaker 2

Can you just have?

00:18:04 Speaker 2

I don't know if UM, if something could just be drawn up, but basically.

00:18:08 Speaker 1

I have a meeting with my lawyer tomorrow.

00:18:11 Speaker 2

Which one?

00:18:13 Speaker 1

Sarah, about talking about what we could do in terms of a different custody order. I had already. This was already on my heart.

00:18:21 Speaker 1

Before you called.

00:18:23 Speaker 2

Alright. I mean, but again whenever you want give me just please.

00:18:27 Speaker 2

Don't make supervised visitation. I just I I don't. You know, it's just not good for the kids, and they're all probably going to press you. The court might even press you to say, look, I trust rob with the kids. And at this point, I I trust that he's not going to do anything, you know, drastic at this point because I'm I'm not in jail.

00:18:47 Speaker 2

And that's ***** horrible. You have no idea.

00:18:54

Right here.

00:18:55 Speaker 2

It's well, 90 days, 90 days. And you seriously. I thought I knew about it a little bit and it it's nothing. It's it's worse than you think. And.

00:19:08 Speaker 2

Yeah, it's, it's bad. It's bad, but I'll leave it at that, the.

00:19:13 Speaker 2

And but if I if Sarah could just Draw Something up that where you have, I mean, if you want to throw me a couple of bones and you know, you know, leave me in on, you know, being allowed to show up virtually to like, the IEPs, I'd appreciate that.

00:19:32 Speaker 2

I'll try to give you as much space as you want. So like maybe have something in there like where basically keep it open, but if there's an issue, you can have the final say and you on everything, that's fine.

00:19:48 Speaker 2

And again, I'm going to ask in return is that that, you know, you don't do supervised visitation so that I just think that would that would make things worse in a lot of respects where everybody would be resentful the kids would be resentful and it just would be it would get ugly. And it. I don't think it would help anybody, so I think.

00:20:10 Speaker 2

You know this is, you know, we want the best. I'm going to try to work with bryce. You work with Skyler to try to help this out. I'll.

00:20:16 Speaker 2

Go to the reunification therapy.

00:20:17 Speaker 1

I, by the way, I have the trying with Skyler. I asked her to text you on Easter and she's like, I don't want to and.

00:20:24 Speaker 1

I'm like, OK.

00:20:26 Speaker 1

Like I think he would really, really love to hear from you. You were not allowed to talk to him, but you you can. So please.

00:20:32 Speaker 1

She's like, I don't. She's she's she's kind.

00:20:34 Speaker 1

Of upset with your.

00:20:35 Speaker 1

Mom too, because she hears.

00:20:37 Speaker 1

She bryce is so loud.

00:20:39 Speaker 2

Right.

00:20:40 Speaker 1

We hear everything he says

00:20:43 Speaker 2

You know, so just just let her. I mean, here's a saying. It's like, again, I'm so. I'm so bummed. I want her to know there's more to the story, but at this point, I'm just. I don't care about the story anymore. I just want to fix it. And I sort of say sorry, that's it. And, you know, I've made a lot of.

00:20:58 Speaker 1

But I'm probably the only way that she would probably move forward is by not judging the past.

00:21:03 Speaker 2

Right. I just I just want to to go so if you could have because I we I have the appeal.

00:21:10 Speaker 2

I have the appeal, the appellate brief. Uh, like this month I have a motion this month. I have a motion next month, I've got Criminal Court now and it's and you know. And then I have the it's. It's such a nightmare. And if I if I know that I have a deal with you.

00:21:27 Speaker 2

That I think the court will take it. That's what I'm thinking, you know, I mean, now they I I'm not sure how that works with the.

00:21:37 Speaker 1

And you know, well, I would be willing to testify at your sentencing.

00:21:42 Speaker 1

If that would help.

00:21:46 Speaker 1

On your behalf.

00:21:47 Speaker 2

Thank you. Yeah, I think it would help. I think it'd be part of the the biggest thing where because I was going to file a motion to withdraw my plea.

00:21:57 Speaker 2

And uh, there's a whole court process for that. Where, because I didn't, they didn't explain the ramifications on how bad this ***** me up and and and so many other things.

00:22:06 Speaker 2

Like I think it even it even takes away my health insurance, like my my free, my, my medical. I think so. It's like it really. You know what I mean? And I have heart condition. So I mean it's like I'm just, I'm ***** across the board so bad and I don't know how I'm going to dig myself out of this hole. I really dont

00:22:23 Speaker 2

And but if the if this is, is is step in the right direction, so.

00:22:29 Speaker 1

Now I tried to tell your family that I wanted to help you and they just did. Things like Sister went bonkers and file the crazy restraining order on me.

00:22:41 Speaker 1

Mark and cole, like every time I like extended an olive branch, I was smacked down.

00:22:51 Speaker 1

By these people, they believe what your narrative was about me, which you may or may not believe that I.

00:22:57 Speaker 1

I don't think it's true.

00:22:59 Speaker 2

Well, yeah. I mean, yeah, no, just you helping me now it's picking up the phone and not telling me to go **** * when I'm basically it doesn't. I don't get any lower than this. So you are proving it because you could basically burn me right now and say haha, you know and hang up.

00:23:14 Speaker 2

So thank you.

00:23:16 Speaker 1

I wished I wishing you the whole time that's not who I am rob.

00:23:19 Speaker 2

No, I know, I know. That's what.

00:23:21 Speaker 2

I'm thank. Thank you.

00:23:23 Speaker 2

OK.

00:23:25 Speaker 2

Whatever you think is fair and you know, just have Sarah.

00:23:29 Speaker 2

Write it up and you know if if Bryce can live here most of the time.

00:23:35 Speaker 2

Like initially like for a while, I think that would be awesome because I think then he will appreciate you more when he's back with me and you know, sometimes you know when you, you know, he's missing me. So I think if he gets to hang out with me for a lot again. But then when he's with you, he'll appreciate you more.

00:23:54 Speaker 2

You know, that's what I'm hoping is that so? If you or maybe.

00:23:58 Speaker 1

Well, I think that if you can.

00:24:03 Speaker 1

Literally undo some of the harm that you've done.

00:24:07 Speaker 1

Then bryce and I have a chance

00:24:10 Speaker 2

Well, here's the good news. I I told Bryce. I always told him that I said bryce here, that whatever's going on to you and your mom is that I and again on my honor, is that I think she wants the best for you. And I think that when you get a bit older, you're gonna have a great relationship with her, I think because.

00:24:28 Speaker 2

You know, a lot of your things, or maybe she wants to treat you like a little kid. Or. And I just, I was just speculating and I said so maybe you get older. You know, you won't have these. The issues that you have right now. So again, I always prepped him that things were going to work out for you guys. I did. I always prepped him for that.

00:24:47 Speaker 1

He tells me every single day he hates me.

00:24:52 Speaker 1

Every day, he said. He is he's mean. He's mean to my parents, he's mean.

00:24:58 Speaker 1

He's mean to.

00:24:58 Speaker 1

Everyone mainly his new friends, he is mean to his old friend.

00:25:02 Speaker 2

OK, well, let's help him because I'm. I'm I'm. I'm scared for him. I really am. So let's fix it. And so, so, so more than likely you'd let bryce live over here, but you have full cold custody and you have full legal that you'd, you know, say that just kind of let him live over here. But I of course got to make sure that he gets to school on time.

00:25:22 Speaker 1

Right. And and I do think it would be important for you to listen to what his IEP.

00:25:31 Speaker 1

Are in his goals and.

00:25:34 Speaker 1

You know, like the accommodation hes getting because.

00:25:38 Speaker 1

He's actually doing. He's doing OK, he's doing.

00:25:40 Speaker 1

OK, doing that.

00:25:41 Speaker 1

Straight like like marketing but he is doing OK and he's trying hard.

00:25:48 Speaker 1

I'm really proud of him for that

00:25:51 Speaker 2

Well, here's the thing. I'm happy too because of the the the plan.

00:25:54 Speaker 2

I had for.

00:25:54 Speaker 2

Him is that it was good and he's happy about it. But the fact that he's at your school, I know there's certain things that you can get done that's going to benefit him and I don't care how it gets done, but the fact is it benefits him and that's all I care about.

00:26:09 Speaker 1

Absolutely, he, he.

00:26:13 Speaker 1

You know he.

00:26:16 Speaker 1

School is hard for him and he's working, really.

00:26:17 Speaker 1

Hard and he's angry about it.

00:26:19 Speaker 1

Because he just wants.

00:26:20 Speaker 1

To be home schooled and I.

00:26:21 Speaker 1

Think that if he came from here that you.

00:26:23 Speaker 1

Know I can't.

00:26:23 Speaker 1

Home school. You have to go to school. That would go a long way.

00:26:28 Speaker 2

Right.

00:26:28 Speaker 1

Because that's what he thinks is going to happen, that he's going to get back to.

00:26:32 Speaker 1

You and you're.

00:26:33 Speaker 1

Going to, I just think, Rob socially, if you watch bryce around kids his own age, he doesn't know how to be. You know, he's great, but cole, but cole is an adult cole acts like he's 25 year old CEO of the company.

00:26:46 Speaker 1

Right.

00:26:48 Speaker 1

Brady, all they talk all they.

00:26:50 Speaker 1

Talk is in Fortnite.

00:26:52 Speaker 1

Yeah. OK.

00:26:55 Speaker 1

Being sitting around kids his.

00:26:56 Speaker 1

Own age. He is very awkward.

00:26:59 Speaker 1

Doesn't know how to be like.

00:27:02 Speaker 1

Hey, what's up? And he needs to be around kids whether he likes it or not.

00:27:08 Speaker 2

Yeah, it just breaks my heart for them though that I mean, because sometimes people never really fit in, sometimes in some areas at school and when they get older, you know, they just don't. So it's just, I don't know. I mean we.

00:27:19 Speaker 2

Just you know.

00:27:19 Speaker 2

Go with it, but it's.

00:27:24 Speaker 2

Go ahead.

00:27:26 Speaker 1

I I appreciate what you're saying, but.

00:27:29 Speaker 1

He's learned how to adapt around that.

00:27:37 Speaker 1

He actually has really nice, nice, dirty.

00:27:43 Speaker 1

Sweet kids, inviting place and all the time.

00:27:48 Speaker 2

Thank you.

00:27:48 Speaker 1

Went to the picture of yesterday. They're really nice kids.

00:27:53 Speaker 2

Did you have a good time?

00:27:58 Speaker 2

Does he have a good time?

00:28:00 Speaker 1

Oh yeah. He had a blast.

00:28:02 Speaker 2

Well, good. So if you yeah. So just if you could, what I'll do is with my motions, I'll just.

00:28:11 Speaker 2

I don't know. I'll check.

00:28:14 Speaker 1

This will be quick, with Sara

00:28:16 Speaker 1

Whatever it is, I'll make sure so that you will have that before you have.

00:28:20 Speaker 1

To respond to any of the other things.

00:28:22 Speaker 2

And then I'll just, I'll just basically, I'll just, I'll just withdraw my appeal and then I'll withdraw the appeal and I'll withdraw. And my my other motions, I'll just uhm, I can. I'm pretty sure I could just take them off. Maybe what I'll do is I'll show up.

00:28:39 Speaker 2

And then we'll have the the stipulated agreement.

00:28:47 Speaker 2

For everything regarding custody will be always saying that I want you to think about is. I don't have any money, so I don't know. I mean, how I could give you child support.

00:28:58 Speaker 1

I I don't. I'm not asking for child support. I never was. I only did that because I couldn't talk to my son. And I'm like, dude, you know, he he can't take him away from me with no contact.

00:29:06 Speaker 2

OK.

00:29:14 Speaker 1

And you got to have some and.

00:29:16 Speaker 1

Theres rules I will.

00:29:18 Speaker 1

I can release the Child Support, I don't.

00:29:20 Speaker 1

Care about that?

00:29:21 Speaker 2

Thank you. I just yeah know if you could release that.

00:29:24 Speaker 1

I wish I had.

00:29:25 Speaker 1

Just talked to me. Talk to me like this.

00:29:28 Speaker 1

Six months ago.

00:29:29 Speaker 2

You know, I I I should have and.

00:29:31 Speaker 2

What happened but?

00:29:32 Speaker 2

If there's like it's it's, it's not.

00:29:34 Speaker 2

Been easy for.

00:29:35 Speaker 2

Me it it really hasn't. I've I've. I've had a lot of challenges. I'll spare the details on it. But it's uh, you know?

00:29:43 Speaker 1

But you've also collected this group of lunnies.

00:29:47 Speaker 2

Yeah, yeah, there's a lot of.

00:29:51 Speaker 1

The earth is Flat and you know our, you know, first thing first thing you could do if you want any of this to happen, you know, and Michelle's working video down because kids have seen it and horrible for Bryce.

00:30:05 Speaker 2

Right.

00:30:06 Speaker 1

That that you could do that would be the first good faith.

00:30:09 Speaker 1

Thing you could show me?

00:30:10 Speaker 2

OK. No, I I, I haven't even. I haven't even watched it because it I yeah.

00:30:12 Speaker 1

Let me.

00:30:15 Speaker 1

Well, you shouldn't and you should.

00:30:17 Speaker 1

Also know that.

00:30:18 Speaker 1

It you googled Bryce's name on YouTube?

00:30:20 Speaker 1

Guess what pops up that video.

00:30:25 Speaker 2

Alright, I'll get it. I'll.

00:30:26 Speaker 1

So he's at a new school, and I know kids know.

00:30:27 Speaker 2

Get it? You take it down.

00:30:29 Speaker 1

There's one kid.

00:30:30 Speaker 1

Said to me.

00:30:31 Speaker 1

Oh, I don't have any one of my. I don't have any social media. I only.

00:30:33 Speaker 1

Have YouTube that looked at me and I'm like.

00:30:37 Speaker 1

Not because I care what people think about me, but I care to think about you. So I kept trying to tell.

00:30:46 Speaker 1

Dawn and everyone, this isn't good for Rob either. Take it down. This isn't. Don't fight the cause and fight for yourself.

00:30:56 Speaker 2

So do you think that so you really think that you'll be OK with bryce living over here a bunch and and? And if then when you want him to be over there, if he's with you a lot, I can say Bryce, Just go with your mom, please, and I'll and I'll get him to go.

00:31:07 Speaker 1

Well, I think that will happen.

00:31:09 Speaker 1

Like I've always wanted, we'll have.

00:31:10 Speaker 1

Like a Sundays, he comes over.

00:31:12 Speaker 1

Hey, wouldn't it be great. If you came over for.

00:31:14 Speaker 1

Dinner on Sunday.

00:31:16 Speaker 1

What if we had family dinner on Sunday?

00:31:20 Speaker 1

And tuesday nights. Skylar would do something with you, and Bryce would do something with me. How would that be, Rob?

00:31:27 Speaker 2

I'm. I'm just happy because I was basically on such thin ice today.

00:31:32 Speaker 2

That I'm just.

00:31:35 Speaker 2

Really, really happy that you're talking to.

00:31:36 Speaker 2

Me and and saying you'll do this for me.

00:31:39 Speaker 2

And for the kids, thank you.

00:31:43 Speaker 2

I really appreciate it.

00:31:43 Speaker 1

Well, start with, start with that video.

00:31:46 Speaker 2

Yeah, that's fine. I'll, I'll call kristen and tell you take it.

00:31:48 Speaker 1

I want I like it down.

00:31:50 Speaker 1

And you know, she she's.

00:31:52 Speaker 1

Been coming after me hard, so I would.

00:31:53 Speaker 1

Like it, if you would.

00:31:54 Speaker 1

Just say stand down from her.

00:31:56 Speaker 2

You know what's sad is that she got her story so sad. I don't know if you know her.

00:32:00 Speaker 2

Full yeah.

00:32:00 Speaker 1

I know her story. I do know.

00:32:01 Speaker 1

Her school school, right.

00:32:03 Speaker 1

And it's not my story. And I never wanted, brcye. Although, you know, you know, bryce has.

00:32:08 Speaker 1

An eating disorder.

00:32:10 Speaker 2

Yeah, well, yeah, there's a there's a back story to that. I I'll tell you about it another time.

00:32:15 Speaker 1

No, I mean, I don't think.

00:32:18 Speaker 1

He's going to get weighed in today.

00:32:20 Speaker 1

He weighs 123 pounds

00:32:25 Speaker 2

What's he supposed to weigh?

00:32:27 Speaker 1

He's literally weight under 135 and additional to that he lost £60 in four months from the time he got that foot injury.

00:32:39 Speaker 1

To when I got him, took him to the doctor on January 6, he lost like 40.

00:32:45 Speaker 1

Unhealthy to leave that?

00:32:46 Speaker 2

Between what time frame?

00:32:48 Speaker 1

Remember when you took him for his toe infection?

00:32:51 Speaker 1

To the time I took them on January 6th because they have.

00:32:55 Speaker 2

Those records right where it happened was again just so he. So he he was being teased for his weight by a lot of people for a long time and he was really upset by it. And so I took him to 24 hour fitness and I got him a couple of private lessons with a.

00:33:11 Speaker 2

A nutritionist.

00:33:13 Speaker 2

And support people that would show a new team. So we actually went to 24 hour fitness like every day for a long time and he's working out.

00:33:21 Speaker 1

Yeah, I know.

00:33:21 Speaker 1

I know that he's pissed off because he can't because his membership is with you. You go with him, he goes to go. So.

00:33:22 Speaker 2

OK.

00:33:29 Speaker 2

Uh, left and changed that, and then he was drinking water. I was really proud of him. And what happened was I think he got, he saw the results and he was so surprised that he got a little carried away, possibly with it and.

00:33:42 Speaker 1

Listen, he's more than carried away. He's he's more. He just please. If you hear one thing that I've said today.

00:33:44 Speaker 2

OK.

00:33:50 Speaker 1

He's more than carried away.

00:33:51 Speaker 1

He has problems. Yeah. OK.

00:33:53 Speaker 2

OK. Well, we can we'll fix it.

00:33:56 Speaker 2

We'll fix it. We'll fix it. No, no, I.

00:33:57 Speaker 2

Know, I know it's too.

00:33:57 Speaker 1

Well, he was.

00:33:59 Speaker 1

He was one pound away from going into and in care.

00:34:04 Speaker 1

Rudy's hospital program about a month ago for this?

00:34:08 Speaker 2

Please put him in there.

00:34:09 Speaker 1

I'm not gonna. I'm not. I'm not. I'm not.

00:34:12 Speaker 1

Going I don't want.

00:34:13 Speaker 1

To put him in there but the kid needs to eat. And then he is cold and he wants to buy every calorie, every day. Ask your parents. Ask. Dawn all he talks about his food. What did I eat today? How many calories was it? He goes getting a burger. He looks up the calorie.

00:34:28 Speaker 1

He's obsessed, I said. I bought him some, some, like teen.

00:34:33 Speaker 1

Boy. Vitamins. Oh, I can't.

00:34:35 Speaker 1

Eat those that has 30 calories.

00:34:38 Speaker 1

Like, are you kidding? I have the.

00:34:40 Speaker 2

Oh well, OK.

00:34:42 Speaker 1

Green, green vibrance. You can't take that.

00:34:44 Speaker 1

Has calories like. Are you kidding?

00:34:45 Speaker 2

OK, we'll, we'll, we'll.

00:34:46 Speaker 2

We'll work together and fix it, I promise.

00:34:50 Speaker 2

How? Like just again. I know you're not setting anything in stone, but like, what kind of time frame? Like would? How much would you let him be? Like over here during the week? Usually, like living and spending the night.

00:35:01 Speaker 1

Well, I don't know.

00:35:02 Speaker 1

I'm I'm driving and I've been driving since pretty much we're talking and I'm I want him to be with you as much as he can be and maintain a relationship with him.

00:35:07 Speaker 2

Alright, thank you.

00:35:10 Speaker 1

As much as can.

00:35:11 Speaker 1

Can be and maintain a relationship with him. So and I want the same for Skyler to be with me.

00:35:18 Speaker 1

To say so.

00:35:18 Speaker 2

OK.

00:35:22 Speaker 1

And I.

00:35:23 Speaker 1

Want you to.

00:35:23 Speaker 1

Have a relationship with Skyler. I think it's so.

00:35:25 Speaker 1

Important you know.

00:35:26 Speaker 1

She had a lead role in her play.

00:35:28 Speaker 2

What you have, what you get?

00:35:30 Speaker 1

She was a miss Miss Honey and Matilda.

00:35:34 Speaker 1

And I it was so awesome. I'll send you some videos.

00:35:37 Speaker 2

You know how crushing it because you know you mean this is what I told you a long time ago. Nobody's ever done and know certain things about our marriage or how I was with the kids. And the kids are going to forget about a lot of stuff when they're little. You know how much I love those kids.

00:35:51 Speaker 1

Saying back at you.

00:35:52 Speaker 2

Yeah, I know and, but it's just like, so, you know, and other people, it's like a lot of people like, well, who, who cares, just the kids to turn 18 and they'll come around to you and whatever and I'm thinking.

00:36:03 Speaker 2

That's that's not even an option. I think about. You kidding? I would. I would. I would go insane. By the time they were 18, if I basically I feel like such a loser. If I was like not a part of their lives, you know what I mean?

00:36:13 Speaker 1

And I don't. I never wanted that. That's the thing. Like I now wanted that. But it wasn't. You have to remember that right now you're broken. So you're, like, open to talking to me. But you weren't before.

00:36:27 Speaker 1

You weren't before you were. It's my right. This is what's going to happen. You're going to do it my way. And I was like, how about we, you know, stick to the rules and just do it the fair way is what I always wanted. Just stick to the rules and do it the fair way.

00:36:43 Speaker 2

Thank you. I mean, I there's the time.

00:36:44 Speaker 2

When I said.

00:36:45 Speaker 2

That to you too though. But I mean, I I really did, you know, early on when I.

00:36:49 Speaker 1

Now you always you always.

00:36:50 Speaker 1

Said let him go back and forth.

00:36:52 Speaker 1

As they please

00:36:55 Speaker 1

I think that that was going to come as they got to be teenagers, but at that time when they were younger, I didn't believe that and I still kind of think that for my sake, I'd like to know, oh, this is my weekend with bryce so I can plan some things so.

00:37:09 Speaker 1

I can you.

00:37:10 Speaker 1

Know have the food he wants in my house. I like I like.

00:37:17 Speaker 1

You have bryce believing that that's just stupid.

00:37:21 Speaker 2

Well, anything you don't like, just let me know and I'll work on it.

00:37:26 Speaker 2

OK, I will because again I you know, I just uh, at this point I've I've, UM.

00:37:32 Speaker 2

You know, I'm just happy that you're talking to me. I'm happy that I that bryce can live over here and then I know you're going to retain

00:37:41 Speaker 2

For legal full final say on everything, that's fine.

00:37:46 Speaker 1

And he wants to get his drivers permit. He couldn't sleep last night, so he texted me at 3:00 in the morning and said, can you take me to get my drivers permit? I want to make sure he's ready for it.

00:37:57 Speaker 2

Yeah, yeah, we'll work. We'll work on that together. And then and then if you just like when it comes to.

00:38:06 Speaker 2

The kids, if I, if I could, I I wouldn't. I will take an active role in Skylar at school because I might **** her off right now, so I'll just back off on everything. Skyler, until we repair whatever is going on there.

00:38:20 Speaker 1

Well, and that's what you got. You gonna need that for unification therapy as well.

00:38:24 Speaker 1

You do you need. She needed you needed.

00:38:31 Speaker 1

And I will always support it. I will fully support you in skylars life.

00:38:37 Speaker 1

I always have, but I will fully support you in skylars life.

00:38:42 Speaker 1

She needs her dad, they both need their dad.

00:38:48 Speaker 1

And I believe they I believe in shared parenting. I believe in equal parenting.

00:38:52 Speaker 1

I do. I always have.

00:38:57 Speaker 2

No, I I again, andrea, you actually saved me more in more ways than you know right now. So thank you.

00:39:05 Speaker 2

I was like.

00:39:07 Speaker 2

I didn't know I was going to, like, move forward. I I was, like, paralyzed looking at. And I'm usually good with this kind of stuff. And I and I, I just looked at the mountain of legal crap flying at me. And I'm just like, what a waste. What a waste of a life. And I'm thinking, I just don't want to do this anymore. And I just hope I said I I just was hoping I call you and you'd be like, give me a way out.

00:39:28 Speaker 2

Of it. So thank you.

00:39:32 Speaker 1

I'm sorry that you're.

00:39:33 Speaker 1

Hurting so bad and.

00:39:36 Speaker 1

I'm sorry bryce is hurting so bad. Skyler and me. And I'm sorry for my part in this job, I don't think.

00:39:41 Speaker 1

That you're blameless.

00:39:43 Speaker 2

Thank you.

00:39:44 Speaker 1

I mean that you're like, I think I have had a.

00:39:46 Speaker 1

Part in it too.

00:39:47 Speaker 1

Too, but.

00:39:50 Speaker 1

I tried so hard, tried so hard.

00:39:54 Speaker 1

He gave you things I gave you like, hey, how about this? And you say you did too, but they were like, no, they're your way.

00:40:01 Speaker 1

I know, I know what you're thinking to think. I know down the size as well, but I know it's thinking I offered you this. I offered you this.

00:40:09 Speaker 2

No, I know, I know, I know. I know. I made a lot of mistakes and I and I, I'm sorry for.

00:40:14 Speaker 1

I made a lot of mistakes.

00:40:15 Speaker 1

Too. And I I hear that in your voice.

00:40:19 Speaker 2

But thank you.

00:40:20 Speaker 1

You wouldn't be bad if we could end up being at our kids graduations and sitting by each other and being joyful and happy and being at their wedding together. And wouldn't that be great?

00:40:32 Speaker 2

It would be great. That's what I want.

00:40:36 Speaker 2

Thank you.

00:40:38 Speaker 2

Because at this point you could say no and hassle me with restraining orders and protective orders, and I'd be *****. So thank you.

00:40:46 Speaker 1

Well, I mean, I could call the DA.

00:40:47 Speaker 1

Right now and say he broke the protective order but.

00:40:50 Speaker 1

I'm not going to do that.

00:40:54 Speaker 2

They, they, they, they took it off and they said.

00:40:56 Speaker 2

I could call you.

00:40:57 Speaker 1

OK, good.

00:41:00 Speaker 1

Only about court matters though, right?

00:41:02 Speaker 2

Yeah, they said. I call for family. They said I call because I I got a I I texted my lawyer and he said, yeah, I know you. You can telephone it.

00:41:10 Speaker 2

With with Andrea.

00:41:16 Speaker 2

And I, yeah. So he said. He said you need to call her first. And I said no, I just, I'm going to call her and.

00:41:21 Speaker 2

And ask her for a way out because I need a way out and he's like alright and so.

00:41:28 Speaker 2

But no, thank you for not throwing me under the bus. The and the. The sooner the better. In on, on. Whatever Sarah Bear can draw up and then you know.

00:41:41 Speaker 2

I didn't. I don't know how that works with Criminal Court. If you're able to call the DA and just say hey, look, Rob and I have an agreement.

00:41:51 Speaker 2

Can you remove the

00:41:53 Speaker 2

Protective order.

00:41:57 Speaker 2

There we worked some things out. I mean, I think I don't know if you have to do that or how that works.

00:42:03 Speaker 1

Yeah, she's got. She's out of town.

00:42:06 Speaker 1

For a while so.

00:42:07 Speaker 1

Like a week or something so.

00:42:09 Speaker 1

I will look you back. I'll talk to her.

00:42:13 Speaker 2

OK. Thank you.

00:42:15 Speaker 1

I emailed there and it bounced back.

00:42:21 Speaker 1

Back I was. I don't remember why I emailed her, but I had emailed Sarah saying hey, now that this criminal trial is over what can we do in terms of getting rob with bryce. I can Send you the e-mail and you'll be like, Oh my God.

00:42:39 Speaker 2

OK. Yeah. No, just whatever. Whatever sara can draw up And then when we go to court, we could basically just present it. Here's here's what we agreed to and that's.

00:42:47 Speaker 2

Probably say fine.

00:42:49 Speaker 2

Get out of here. You know, that's what I what I'm hoping for.

00:42:52 Speaker 2

That's the only thing that would hold it up is I think, the protective order that's still in.

00:42:57 Speaker 1

Now I can find out about that too.

00:42:59 Speaker 2

Yeah, but.

00:43:00 Speaker 1

Alright, we'll go to rest and.

00:43:07 Speaker 1

You know, like I said, at the very first 3 minutes, we were on the phone. I love you, Rob, and I don't. I don't want bad things for you. I never did.

00:43:13 Speaker 2

Thank you. I agree. I love you. I really appreciate it.

00:43:20 Speaker 2

Thank you. I don't know. I don't know how going to dig myself out of this mess, but this.

00:43:21 Speaker 1

I've been.

00:43:24 Speaker 2

Is you're you're you're throwing me a lifeline. So you have no idea what this does for me today? It's it's. It's so much better.

00:43:31 Speaker 2

You have no idea.

00:43:33 Speaker 1

Well, if you could just call off the dogs

00:43:35 Speaker 1

That would be great.

00:43:36 Speaker 2

No, they're, they're. Don't worry about that anymore on, you know.

00:43:41 Speaker 2

I'll think we'll we'll fix this and.

00:43:45 Speaker 2

If if you at your discretion, of course, just maybe tell the kids that you and I have. Have you know, maybe we'll working something out and maybe in the in the next couple of weeks we should have a much better plan. Maybe that'll make maybe that will calm bryce down a little bit, let him know that he's, you know, to kind of come back and forth a little bit as you know.

00:44:04 Speaker 2

As he wants to.

00:44:05 Speaker 2

UM.

00:44:07 Speaker 2

Within within reason you know, within parental discernment or whatever that you know, you can't just say Mom's brocoii I'm gonna go to dad's house. You.

00:44:14 Speaker 2

Know. Of course I'm not going to support that.

00:44:17 Speaker 1

The kid eats broccoli every day so.

00:44:21 Speaker 2

Yeah. No, it's funny. I I try to get him to start eating cauliflower and broccoli a while back. And it's funny because, you know, it doesn't smell good. But I said that's the best thing. When he got done is when he got in his fitness kit.

00:44:34 Speaker 2

It's pretty it's pretty impressive. I mean, he really I think what it was was he saw the results and he was like he realized that how?

00:44:42 Speaker 1

And you know.

00:44:43 Speaker 1

He has the the.

00:44:43 Speaker 1

OCD sort of like this is prohibit.

00:44:47 Speaker 1

Like an OCD bit like. He's diligent. You know, he really don't.

00:44:50 Speaker 2

Right. And so and you drink so much water, it says so often.

00:44:54 Speaker 1

You know, he's actually drinking. The doctor thinks he's drinking too much water.

00:44:58 Speaker 2

Oh well.

00:44:59 Speaker 1

Yeah, she said. He's pulled back like he's, like deleting any kind of minerals and nutrition he's getting from his food, out from his pee pees like in an hour, maybe four or five times.

00:45:12 Speaker 2

Right.

00:45:13 Speaker 1

So he he needs to. And unfortunately I can't get him off the monster and I need to do. I need to do that. That's so bad. But I was.

00:45:22 Speaker 1

Just looking at the ingredients for it so bad.

00:45:25 Speaker 2

Yeah. No, it's bad. It's.

00:45:28 Speaker 2

Hey, I'm gonna. I'm gonna let you go so it's so again just thinks that you have no idea. Thank you. If I call you ever. And you don't want to talk to me, just say say text me and I'll make sure I text you.

00:45:42 Speaker 1

OK.

00:45:43 Speaker 2

I promise I'm not going to be a ***** at all because I was promised some of the shift head at all because again, I I just. You're giving me a way out. I'm not going to look a gift horse in the mouth. I know you look at that for the kids and me. So thank you. I'll leave it at that.

00:45:59 Speaker 1

OK, OK.

00:46:00 Speaker 2

But you think Bryce will be able to stay over here for like most of the week like?

00:46:03 Speaker 2

Once we get.

00:46:03 Speaker 2

Things turned around.

Speaker 1

Yah, yah

00:46:09 Speaker 2

And then I'm thinking, you know, I think initially that'd be awesome just because.

00:46:14 Speaker 2

He's he's so missing it. But maybe when he realizes that, you know, because when you grow up, I think maybe when he starts to grow up even a little bit more, he'll realize that that was pretty awesome there, but.

00:46:25 Speaker 2

There's something else now that you might want to do where he starts to realize that it's not the end all be all, and he'll want to go back to your house and that's what I'm trying to get him to realize is that find the best at my house, find the best at your house, find the best at your parents house, find the best of you know, I mean of everything and and take the best.

00:46:43 Speaker 2

And leave the rest.

00:46:45 Speaker 2

You know of wherever he's at. So I I really.

00:46:52 Speaker 1

Are you getting any therapy?

00:46:54 Speaker 2

I was and UM, I I stopped it because my my insurance benefits were cut.

00:47:03 Speaker 2

And so I I didn't have I.

00:47:05 Speaker 2

Didn't have the benefits anymore.

00:47:07 Speaker 1

Well, I'd be willing to help pay.

00:47:10 Speaker 1

For it, if you want to go.

00:47:12 Speaker 2

Yeah, I I'm really scared. If they if they cut off benefits, if they don't, you know they they told me that my my part of the deal is that.

00:47:21 Speaker 2

He said that he would go from a felony to a misdemeanor as long as I didn't do anything stupid. I'm like, well, that's fine. I won't do anything stupid. So I think when it goes to a misdemeanor, that's fine, and then it's all looked at that. But it's a felony. I mean, it's just really ***** up so much in my life. I was like, I can't do that.

00:47:41 Speaker 2

And so they didn't explain that to me. So I I was going to fight it and and have it, you know, try to, you know, go through the proper channels.

00:47:48 Speaker 2

To have it removed.

00:47:50 Speaker 2

But it's just so much work and effort I'm thinking I could put it. I could put that into something better. And so that's again why I want to call you. Like, I just, I don't want.

00:47:58 Speaker 2

To do that anymore, it's just such a waste.

00:48:01 Speaker 2

You know, so I'll just take the felony and then it'll go to a misdemeanor as long as you know.

00:48:11 Speaker 2

I don't ***** you off or.

00:48:13 Speaker 2

You know, brake, pull or whatever.

00:48:15 Speaker 1

It's not a matter of.

00:48:17 Speaker 2

No, I know. I was being funny, but yeah. No, as long as I don't, you know, ***** ** parole or any violations or anything like that, it goes to a misdemeanor, which is fine, but I really.

00:48:30 Speaker 2

Thank you. You have no idea I can actually breathe today, and I was actually in a really dark place and I wasn't going to call you. So the fact that you picked up, you have no idea. Thank you.

00:48:43 Speaker 1

I actually.

00:48:46 Speaker 1

I was talking to bryce when you called.

00:48:47 Speaker 2

Oh well.

00:48:50 Speaker 2

But, but maybe if he's having a hard time, maybe just tell him. But you and I.

00:48:55 Speaker 2

Working it out and that as long as he's good, you know, use it as a, you know, as a carrot serious. There's always a good. I'll let you start living with your dad again and you'll be able to kind of come back and forth. And I think that'll maybe I think when he starts I think when he has a little bit of freedom there I think he's going to circle back to you. I always told you that I really believe.

00:49:14 Speaker 1

Yeah, it's it's not. It doesn't.

00:49:15 Speaker 2

He's going to circle back.

00:49:17 Speaker 1

Do something. I want you to change the language. Well, he does have freedom.

00:49:21 Speaker 1

He has freedom here. He. I hear Michelle freaking. Whatever. He's locked in his room. He's not locked in his room. He and I watched Cobra Kai seasons one through 6 and then all of a sudden your mom started talking to him. And.

00:49:35 Speaker 1

He seemed to me to him all the time.

00:49:36 Speaker 2

Dude, Johnny. Johnny. The ones. How ***** funny is that? There's no plenty of mine. Give me.

00:49:41 Speaker 2

Like 80.

00:49:44 Speaker 1

But what I want to say.

00:49:45 Speaker 1

Is that it was like it was OK and we were we were spending time together and then he started talking to mom and she started getting all this stuff and.

00:49:54 Speaker 1

Get him all growed up and then he locked me. He I never. He's never locking the door. He's not locked in his room.

00:50:00 Speaker 2

Well, here's the good news that's going to stop. So just don't worry about it. It's going to stop and and I'll get the the video down. And again, just if you can have sara write something up so that because I'm just I'm I'm done with all this crap. I'm going to put everything in a file and put it on the cloud and forget about it as best I can.

00:50:19 Speaker 2

And and put it in the past where it belongs. I'm never. I'm never going to look back. I just can't look back in this garbage anymore. It's so ugly. It's such a waste of time and resources. I just. I feel. I feel ugly.

00:50:35 Speaker 2

I just. I I yeah, I just, I I don't. I don't want to waste anymore time on it. So whatever you can do to to maybe get the DA or whatever maybe e-mail them and say hey we've come doing agreement if we could remove that protective order. I I trust rob I'll show up at his his hearing to to for whatever and and then you know give Sarah whatever.

00:50:55 Speaker 2

So that when we go.

00:50:57 Speaker 2

To the hearing on, I think it's this month or something, but maybe she could just.

00:51:02 Speaker 1

Yeah, I was going to.

00:51:03 Speaker 1

Ask you when is it.

00:51:05 Speaker 2

It's have to actually look. I think it's like the between the 17th and the 20th, but I also have the.

00:51:11 Speaker 2

Appeal one too, but if we come to an agreement, that kind of overrides all that crap to say, have a, you know, say here's the agreement and that override basically.

00:51:24 Speaker 2

You know.

00:51:25 Speaker 2

Basically the the I know we're already divorced, but here this overrides any anything else. And here's our here's our here's our stipulated agreement for everything. And then sara could just basically put it in there. But then I think a lot of it, as long as we're keeping open communications, some of that could maybe be bent here and there where even if you said bryce can live over here.

00:51:47 Speaker 2

For a couple days and you want them home? Of course. I'm going to say Bryce. Your mom was really cool about this. You need to go and respect your wishes and go do blah, blah, blah. I promise I'll do that for you.

00:51:58 Speaker 2

OK.

00:52:01 Speaker 2

You have no idea how much I can. I can go in. My heart's breaking too, because.

00:52:07 Speaker 2

Bryce and I. You know, there's a lot of things we used to do, and everywhere I go, it's like it's like because we, I mean, you know, with the home schooling and the exercising, you know, my heart's been torn out and it's like.

00:52:21 Speaker 2

It's been hard. It's really hard and I just, you know, it's been tough.

00:52:31 Speaker 2

But now thank you again. I really, I really appreciate it. So I'm going to.

00:52:34 Speaker 2

Let you go and you promise This is what we're.

00:52:39 Speaker 2

Going to do this.

00:52:42 Speaker 1

I promise we're going to do something that is fair.
