They're trying to change history—don't let them. In the chaotic atmosphere of 2020, the Wayback Machine is a crucial resource in the fight against disinformation, and now more than ever we need your help. Right now we're preserving history as it unfolds, keeping track of who's saying what and when—all without charging for access, selling user data, or running ads. Instead, we rely on the generosity of individuals to help us keep the record straight.

The invention, which Mr. Raniere laid the groundwork for as a teenager, is considered by many to be one of most dramatic developments in the field of human potential today.

But despite his extraordinary talents and accomplishments, what often strikes people most about Mr. Raniere is how down to earth he is. He has the unique ability to relate to virtually anyone, and is known by his friends as a prankster extraordinaire.
