This report is being dictated by Detective Gilbert HERNANDEZ, squad 127, assigned to the Criminal Investigation Bureau, Day Shift.

On Friday, February 1, 2005, myself and my partner, Detective Katherine HEIN, attempted and did locate a possible witness for the purpose of serving her subpoena, who was identified as Sherika D. RAY, B/F, DOB 6/30/80. It should be noted that we located her at her residence of ~~██████████~~ of 3210 N. 34th.

It should be noted that upon making contact with Sherika and announcing to her that we were there for the purpose of serving a subpoena for the court proceedings she immediately was upset, crying and shaking and indicated that she was fearing for her safety and ~~██████████~~ ^{WAS AFRAID TO COME} to court. At this time we interviewed Sherika and she related that she has been approached by some individuals regarding this homicide and was basically told not to show up in court and basically told not to cooperate. After some persuasion, Sherika did indicate that around October of 2004 that she received a call from jail. She believed it was CJF and she indicated that she received a call from an individual identified as "Q" (Ronald Q. TERRY), ~~██████████~~ wanted to know as to what she witnessed on the day of the homicide, at which time, Sherika indicated to "Q" because she was fearful that she did not witness anyone. ~~She further indicated that Q ██████████ if she had~~ ~~██████████ to the Police and what exactly was told to the Police by Sherika.~~

~~(Sherika did indicate that she did tell the Police that she saw someone "Q" after the shooting~~ ~~██████████ at this time ██████████ and the~~ ~~██████████)~~

Sherika indicated that she was intimidated by "Q", even though he did not mention threats, she felt that something could happen to her if she would cooperate with the Police Department in this investigation.

AFTER Q'S GET OUT OF JAIL

Sherika further indicates that she believes that it was before Thanksgiving of 2004 that "Q" located her at her mother's house and it was at that time that "Q" drove her to the area of 22nd Street. She indicated that upon entering the residence that she saw an individual who she knew as "Huey" (Huey is Rodney E. HUDSON). Further she indicated that there were individuals in this residence who she knew as "Q" (Ronald Q. TERRY), "G" (George A. DONALD), "Meaty" (JOLLY, Ely) and ^{L2}

"Huey" (Rodney E. HUDSON). She indicated that these individuals were present within this home. She indicated that there were individuals that were displaying weapons but relates that none were pointed at her. She relates that threats were not made to her but she was again scared and the individual "Huey" was questioning her as to her knowledge of what she observed in the residence. At this time she was questioned as to what information she had related to Police. She indicated that she did not relate any information to the Police, only that she observed people running out of the house after some gunshots. She further indicated that it was an individual "Meaty" who made comments to the effect that, "There are some people here that are playing both sides". She indicated that she believed that that meant that she was betraying the group within the residence. She related that at one point it was "Huey" who indicated to Sherika ~~that she was scared~~ ^{the} comment, "Do you want to see the basement". She at this point was fearful and walked away. She indicated that she also noticed numerous girls who she recognize ^{Did not} and then was fearful, at which time, she left. She indicated that there were no direct comments made to her to threaten her life but she felt intimidated. It was at this time that Sherika related that she wanted to add some more detail, which she did not relate to investigators initially. She indicates that she remembers that evening that the music was loud. She related that she could hear what sounded like people wrestling upstairs. She indicated that she at one time turned the television up. She related that she at one point was attempting to block out the noise upstairs but indicated that she turned the music down. She uncertain about the time. She indicated that she could hear that there was confrontation within the kitchen area and heard ^{people saying} the voices of, "Are you going to rob me", "Are you going to shoot me". She indicated that she became scared at one point and she moved the stove to block the doorway and indicated at that point she heard one gunshot. She indicated that she heard a large group of people run out and then she indicated that she heard through the vent someone begging for their life, words to, "Don't shoot me" and ~~then~~ she heard a second shot and indicated that she then heard a second group running out. ~~the group of people~~

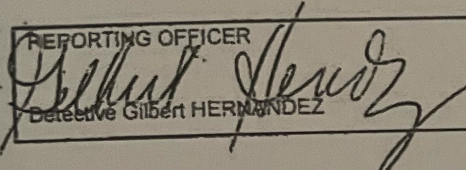

She confirmed that within the first group that ran out that she did observe "Huey" and indicated that there was also a woman out there with boots on, she believed that they were white in color. She relates that there were a group of three or four people that got into a stationwagon and indicated that there was another individual that got into a newer vehicle and that there was a passenger screaming, "Are you going to leave me, are you going to leave me".
